Investment results shown represent the DF Dent Small Cap Composite and have been examined by an outside third party. Past performance is not indicative of future results, and all investments carry the risk of loss of principal. Net performance results are presented net of actual management fees and reflect the reinvestment of dividends and other earnings. Index returns are provided for comparison purposes to represent the investment environment existing during the time periods shown. An index is fully invested, includes the reinvestment of dividends and capital gains, but does not include any transaction costs, management fees, or other costs. It is not possible to invest directly in an index. D.F. Dent's portfolios may hold securities that are not included in the index. Reference to an index does not imply that D.F. Dent portfolios will achieve returns or any other results similar to the index. For more information on D.F. Dent's fees and advisory business, please see our Form ADV Part 2A and Form CRS, which can be found on our website.
